This info is so we can make sure you/your group knows when to come and see the patches in the final blanket piece.

- Cut along the dotted line.
  - Find a cotton material that is in the colour range that Urban Shaman's logo for the project "A Place Between...". Check online at [www.urbanshaman.org](http://www.urbanshaman.org). Colour range is white, sea greens and yellow.
  - Use paper template to cut your patch out of your chosen material.
  - Grey area is the extra bit we need so we can sew your creation to other patch creations. \*So don't work in that area, cuz it'll get cut off.
  - Make your patch how ever you want. Quilt, bead, embroider, paint, draw on your material square.
- Once finished, return your patch to
